FP15

Flow Performance and Pilot Pressure Curves

Flow Performance

Low Pressure Pilot Operator Interface Valves

High Pressure Pilot Operator Interface Valves

Accuracy of information

We take care to ensure that product information in this catalogue is reasonably accurate and up-to-date. However, our products are continually developed and updated so to ensure accurate and up-to-date information please refer to the product catalogue issue list on our web site or control a member of our sale team.

When selecting a product, the applicable operating system design must be considered to ensure safe use. The products unction, material compatibility, adequate ratings, correct installation, operation and maintenance are the products of the suse of the products.

Quality Assurance
All Bildol products are manufactured to a most stringent
QA programme to ensure that every product will give optimum
performance and reliability. We are third party certified to
BS EN ISO 9001:2008. Functional test certificate, letter of
conformity and copies of original mill certificates, providing
total traceability are available on request, to BS EN 10204 3.1
